4. Cut the two rectangular finger straps and tape to the back of the puppet, close to the centre fold.
5. Have fun with your Ogre!

## Who's the Scariest?

"Mirror, mirror, on the wall,  
Who's the scariest of them all?"

"It's always been you my goblin queen,  
You're the scariest one I've seen.  
Your pointy ears, your rough green skin,  
Your large hooked nose, your spiky chin.  
Your popping eyes, so bright and yellow,  
The way you scream, the way you bellow.

But today I saw a human being,  
And couldn't believe what I was seeing.  
Her skin so pale, her lips so red,  
A sparkling tiara on her head.  
The most hideous creature I've ever seen,  
Even more frightful than you, my queen."

"Tell me who. That can't be right!"

"I'm told she's known as ... Snow White."

"Mirror, mirrow, on the wall,  
Who's the scariest of them all?"

"I cannot lie, I must be true,  
Snow White, my queen, is scarier than you!"
