Design a Magical Garden Competition

Hey kids! To celebrate the release of *The Garden's Secrets*, we thought it would be fun to design your own magical garden!

The Garden's Secrets is a new picture book by local author and illustrator Sarah Johnson and Deborah Hinde, published by Hamilton Gardens,

All you have to do is draw it in plan view (like a bird looking down on it) on the sheet provided. Make it magical, wondrous fun! Add secret places, funky flowers, creepy critters and plant delights.

The winner will receive a copy of the book and a basket of gardening goodies!
